Freight Cap Program

Our Freight Cap Program gives you no-hassle savings on orders with a dealer price value of at least \$1,500 in shippable product. Reach that minimum and we'll automatically cap your freight cost to 10% of order total. No sign-up is required. Simply place an order and our account specialist team will handle the rest.

Program Benefits:

-  No enrollment fees or account requirements
-  Savings is automatically applied to qualifying orders
-  Consistent shipping costs throughout the year
-  Applies to orders shipped in the contiguous United States*

Order Details

- Freight cap only applies to orders that contain at least \$1,500 of shippable product calculated at standard dealer pricing.
- Order value is calculated at dealer pricing to provide carriers with a consistent minimum to base their rates on.
- \$1,500 minimum can include items from multiple purchase orders if delivery is made to a single ship to address and has a single bill of lading.
- Program applies to orders with furniture or a mix of furniture, Villa textiles, and rugs. The program does not apply to orders with only Villa textiles, rugs, or a mix thereof.

Shipping Details

- Estimated shipping time is between 7-16 business days.
- Orders must ship via Trail Lines, American West, or another approved carrier of our choosing.
- Requests to split an order will be reviewed on a case by case basis. Each order must have a value of \$1,500 and ship to the same address.
- Orders with backordered items can be shipped separately if first shipment meets the \$1,500 minimum. The remaining items will be shipped when available and included in the freight cap program.
- Program excludes special deliveries including, but not limited to lift gate, residential delivery, pallet delivery, drop ship, scheduled, expedited or guaranteed delivery, and locations requiring ferry transport.
- Any changes in address or delivery requirement will exempt the order from the 10% freight cap.
- All receiving locations must be able to receive a 53' trailer.

*Certain states (ND, SD, WY, MT, MD, DE, RI) and areas within qualifying states are excluded. In these instances, Classic Home will provide a standard freight quote prior to shipping. Speak to your account specialist for orders shipping to Alaska, Hawaii, or Canada.
